

In line with the [Press Release on the Communication Practices of the Central Bank of the Republic of Türkiye](#) dated 22 July 2016, the Bank has been holding technical meetings with investors, economists, and analysts. At these meetings, technical questions from the participants on general macroeconomics, monetary policy, financial markets, and banking issues are answered. These meetings are complementary to the open, transparent, and timely communication policy of the Bank. The Bank also holds these investor meetings at major financial centers abroad with broad participation.

Investor meetings are arranged according to a specific schedule. Persons or institutions wishing to attend these meetings should send the Bank their participation requests via an e-mail to [investor@tcmb.gov.tr](mailto:investor@tcmb.gov.tr) (for Turkish investors, to [yatirimci@tcmb.gov.tr](mailto:yatirimci@tcmb.gov.tr)).
