

## PRESS RELEASE

30 January 2016

### Press Release on the Academic Research Projects to be Granted by the Central Bank of the Republic of Turkey

The Central Bank of the Republic of Turkey announces a financial support program for the research projects. With the program, the Bank intends to support academic studies in the field of the Turkish economic history, preferably on central banking and macroeconomic issues such as inflation, banking, money, and credit.

In this context, research projects will be evaluated within the scope of the Financial Support Program for Academic Studies. Please click on [“Eğitim-Akademik/AÇMDP/Akademik Araştırma Projelerine Mali Destek”](#) for further information about the process of the program and application requirements.
