

ANNOUNCEMENT REGARDING THE REVISIONS IN THE BALANCE OF PAYMENTS STATISTICS BASED ON YEAR- END STUDIES

In accordance with the announcement made on January 19, 2011

1. The following items has been added under the item "Financial Accounts / Other Investments / Assets / **Currency and Deposits**", "**Banks / Foreign Exchange**", "**Banks / Turkish Lira**" and "**Other Sectors**".

The change in the banks' foreign exchange deposits in their correspondent accounts has been started to be recorded at "**Banks / Foreign Exchange**" and the change in the Turkish Lira deposits of the banks to be recorded at "**Banks / Turkish Lira**".

Residents' deposit assets abroad, which previously recorded under the item "Financial Accounts / Other Investments / Assets / Other Assets / **Other Sectors**", has been deducted from this item and started to be recorded at "Financial Accounts / Other Investments / Assets / Currency and Deposits / Other Sectors".

Similarly, recording banks' foreign exchange and Turkish Lira deposits liabilities to nonresident banks item "Financial Accounts / Other Investments / Liabilities / Currency and Deposits / Banks / Banks" has been subdivided into "**Foreign Exchange**" and "**Turkish Lira**".

(This revision has been made starting January 2008 statistics.)

2. Government participation shares to the international organizations, which previously recorded under "Financial Accounts / Portfolio Investments / Assets / **General Government**", has now been started to be recorded under newly added "Financial Accounts / Other Investments / Assets / Other Assets / General Government".

(This revision has been made starting January 2006 statistics.)

3. Defined as the item that records intangible assets like land and tangible assets like franchise, copyright, trademarks and leases and other transferable contracts in the IMF Balance of Payments Manual 5, "**Acquisition or Disposal of Nonproduced and Nonfinancial Assets**" has been added under "Capital Accounts" as a new item and revenues gained and expenses incurred from transfer fee by one sport club to another for the transfer of a player compiled from the resident sports clubs has been recorded.

(This revision has been made starting January 2007 statistics.)
